Ramblings of the Sale Manager

March 27 will be a day this year when all lovers of good cattle, especially Shorthorn cattle, will have an opportunity to view the offering consigned by the members of the Northwest Missouri Shorthorn Breeders Association, Inc., to their semi-annual Show and Sale.

We have more bulls consigned to this sale than we ever sold before, so I know there will be many good buys. While there is not as large a number of females offered, a big majority are cows or bred heifers which are always good bargains in our sales. If you are in a position to raise cattle, any you buy here will prove a profitable investment for you.

The members of our Association have spared neither time nor effort nor expense in trying to improve their herds. With our population increasing so rapidly, I do not see how farmers are going to be able to raise enough cattle so our people will have enough beef for their best development and health. Therefore, it behooves all of you to raise the very best stock possible.

General Information

LOCATION—The Sale will be held at the Maryville Auction Co. Sale Barn on Highway 71, south part of Maryville, Missouri, on Monday, March 27, 1950. Show at 9:30 a.m.—Sale at 1:00 p.m.

TERMS—The terms of the sale are cash unless other arrangements are made in advance with the consignors from whom you purchase. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at buyer's risk as soon as bid off.

GUARANTEE—All cattle sold are tested for tuberculosis within thirty days of sale and are vaccinated or tested for Bangs, and a health certificate will be furnished.

Bulls are guaranteed breeders if properly cared for and not allowed to serve under fourteen months old or allowed to run with the herd under two years old. All cows with calves at foot are considered breeders and no further guarantee is made with respect to them. All other cows and heifers over sixteen months of age at the time of the sale are guaranteed breeders. Heifers are not to be served by a heavy or old bull.

If any bull or female as above specified fails to breed, it may be returned to seller if in as good condition as when sold, and if after testing in the seller's herd, it proves to be a non-breeder, it may be replaced or the purchase price refunded. Neither buyer nor seller is to make any charges for feed or care, and transportation charges are to be born by the purchaser.

The above guarantee and terms shall constitute a contract between consignor and buyer of each lot. Neither the sale manager nor the clerk of the sale assumes any liability, legal or otherwise.

A certificate of registry and a recorded transfer will be furnished for each lot sold and an application for registry will be furnished for each calf sold at foot, and for each unborn calf sold in dam.

If you do not receive your pedigree or calf application within three (3) months, please notify the seller or the sale manager.

Where footnotes appear in this catalog, they are furnished by the consignor or written from information supplied by the consignor.

We shall not be responsible for any accidents that may occur, but we shall make every effort to provide for the safety and comfort of our guests.

BIDS—Those wishing to buy who cannot be present, may send bids to Mervin F. Aegeter, Shorthorn World; Ted Aegeter, American Shorthorn Breeders Association; or to either of the auctioneers, J. E. Halsey, Des Moines, Iowa; Carl Graham and Glen Bradley, Maryville, Missouri; Jim Merrigan, Guilford, Missouri.

A dinner will be served the evening before the sale. For place, hour, and tickets, see Dale Bellows, Maryville, Missouri.

Those from a distance desiring hotel reservations should contact **James Meyer**, Sale Manager, early.

Show and Classifications

This show and sale is co-sponsored by the Missouri State Board of Agriculture and the Northwest Missouri Shorthorn Breeders Association, Inc.

MISSOURI STATE DEPARTMENT OF AGRICULTURE AWARDS

The State of Missouri, Department of Agriculture, will award to all animals in each class that can qualify as blue ribbon, red ribbon, and white ribbon animals, their respective earned ribbons and a cash premium of \$6.00 for Blue, \$4.50 for Red, and \$3.00 for White.

These awards are made possible through an appropriation by the Missouri Legislature to encourage the production, distribution and use of better breeding animals in Missouri.

BLUE RIBBON Animals are excellent individuals.

Only animals of outstanding quality, unusually good type, symmetry, and conformation, in sufficiently good flesh and adequately fitted to demonstrate fully their qualifications will be placed in this group. These are animals of unusual merit that would in every case be a valuable addition to the top breeding herds of the state.

RED RIBBON Animals are superior individuals.

Only animals of superior quality, of good type and without any major defect, plainly demonstrating the superiority of their qualifications will be placed in this group. These animals should be sufficiently good to improve any commercial herd and most small breeders' herds.

WHITE RIBBON Animals are good individuals.

Animals of somewhat less desirable type and with one or more rather objectionable characteristics may be placed in this group. These are animals that would improve commercial herds and would in every case be superior to grade and scrub animals.

Unworthy animals will not be classified.

We Invite You

We invite you to attend the Northwest Missouri Shorthorn Ass'n sale at Maryville, Missouri, on March 27, 1950. You will find some seventy head of good, well bred Shorthorn cattle that are sure to go ahead and make money for you.

There will be 45 bulls, of good ages, good color, good pedigrees. A good Shorthorn registered bull should prove a good investment to use on any commercial herd of cows, regardless of grade or breed. Your calves will have more size and be much gentler in the feed lot than those sired by bulls of any other breed. There are bulls suitable for the breeder, for the farmer, or for the range man and in numbers that there are certain to be bargains among them. Ship the old bull to market and replace him with a good, young, vigorous, registered Shorthorn bull. You pay for a good bull whether you use one or not. Why not use a good bull, such as we are offering, and have the satisfaction of raising the better kind of calves?

There is also a nice lot of females, cows and calves, bred and open heifers. We are anxious to see these go into good hands where they will be taken care of. We are also desirous of having new herds of Shorthorns started in this immediate territory. To you boys who are buying commercial Shorthorn heifers, why not buy two or three purebreds and get a purebred herd started? You need a good bull anyway, so why not let purebred Shorthorn heifers finally replace your grade cows?

We welcome new members to the Association. We have two sales a year and in those sales sell from 135 to 150 cattle. We secure the largest sales pavilion possible and the pavilion is always crowded, both at the show in the morning and at the sale in the afternoon.

We urge you to attend this sale and see the cattle show in the morning. It is really astonishing as well as highly gratifying to see the continual improvement being made in our Shorthorns each offering over the last one.

Yours truly,

Dale Bellows

Chairman, Sales Committee

Goldfinder Clipper 16th, a son of Goldfinder Clipper, is typical of the type of calves this young bull is siring. A half brother to last spring's champion bull at Missouri state sale and Northwest Missouri Sale, he is the low down, good headed, well fleshed, deep quartered, and good colored bull you would expect. Augusta Queen has an outstanding record as a producer. At Hamann's dispersion, a son brought \$1,000, a heifer \$1750, and she \$850. He should solve color and type troubles for many herds.
